RE: Application of Gentlemen Movers, Incorporated to Amend Current Tariff (See  
Docket No. 2006-32-T)  
**Docket No. 2022-111-T**

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed the application of Gentlemen Movers, Inc. ("Company") to amend its current tariff as well as the Company's Final Amended Tariff filed May 5, 2022.

On March 31, 2022, the Commission entered Order No. 2022-213, denying the Company's request for expedited review and carrying over a vote on the Company's application pending receipt of ORS's Impact Study. It has been ORS's practice to provide its impact study in tariff amendment applications after the return date in the docket has passed to ensure ORS's impact study results are not premature and to allow ORS time to schedule, conduct, and finalize its audit and review. While ORS intends at this time to continue as a general matter the practice of filing its impact study results after the return date has passed, in recognition of Order No. 2022-213, the Commission's April 28<sup>th</sup> directive, and the stated need of the Company for a tariff adjustment in light of gas rates, the ORS Impact Study for the Company is detailed below. ORS respectfully reserves the right to amend its Impact Study results should new information not available as of the filing of this letter become available prior to the Commission's final order.

**ORS Impact Study Results**

1. **Exhibit A** includes a calculation of the percentage increase/decrease in the proposed tariff.

2. Results of the recent compliance review on the Company:
  - a. ORS conducted a compliance review of the Company on April 6, 2022 and found them to be in compliance with Commission rules and regulations.
3. ORS has not received any consumer complaints related to the Company in the past twelve months.
4. The Company is in compliance with Annual Report and Gross Receipt filing requirements.

Thank you for your attention to this matter.

Sincerely,

*/s/ Alexander W. Knowles*
